FLAT TRACK HARDWARE

CAPTURE AN "OLD INDUSTRIAL" LOOK WITH THIS UPSCALE LEATHERNECK FLAT TRACK HARDWARE.

LEATHERNECK HARDWARE

Flat Track Hardware styling dates back to the turn of the century when it was used in warehouses and in industrial settings. Today the highly stylized look is perfect for unique interior and exterior applications. The line can be customized for specific applications and can save space while enhancing any door opening.

WHERE YOU CAN USE FLAT TRACK HARDWARE

Barn Doors	Rustic Kitchens
Garage Doors	Log Homes
Café's and Restaurants	Art Galleries and Museums
Loft Apartments	

FUNCTIONALITY

Capacities are 400 lb. and 800 lb. units
Flat Track Hardware is available for order in complete kits for both single slide openings and Bi-parting openings. The hardware can also be ordered as individual components.

DESIGN

Leatherneck Flat Track Hardware can be customized to fit your unique needs. The hardware is available in clean, simple styling or can be designed to be ornate depending upon the application. The hardware comes in a standard black finish. Special finishes available upon request including galvanized and stainless steel.

LEATHERNECK HARDWARE

Leatherneck Hardware, Inc. has been in business since 1977. Our goal has been to continually improve the design and manufacture of specialty hardware components. Our expertise covers the spectrum including the perfect door hardware ranging from heavy industrial settings and aircraft hangar doors to cafés and restaurants, museums and art galleries, and even closet doors. Flat Track Hardware is available in a wide variety of styles and finishes. No matter the location, the unique and stylish design of Flat Track Hardware will enhance any opening.

Our products are used widely by many of the leading Specialty Door Manufacturers and Building Manufacturers worldwide. We manufacture a standard line of door hardware, but also specialize in custom design orders. Whether new construction, repair or retrofit, Leatherneck Hardware has a long history of creative solutions to any door hardware project. Our Sliding Door Hardware is second to none in the industry.

We pride ourselves on our fast turnaround not only for stock items but for custom items as well.
